

**The Sealy Center for Structural Biology &  
Molecular Biophysics**

**SEMINAR**

**"Molecular Visualization of the  
Transcriptional Mediator Complex by  
Cryo-EM "**

**Presented by**

**Kuang-Lei Tsai, PhD**

Post-doctoral Fellow

Asturias Laboratory

The Scripps Research Institute

Department of Integrative Structural and Computational Biology

**Monday, January 23, 2017  
2.212 Basic Science Auditorium  
4:00 p.m.**

**ALL INTERESTED PERSONS WELCOME**

Working together to work wonders.
