

## Community Building Seminar Series

**This Month's Speaker:**

**Tommy Yiyang Zhou, Ph.D.**  
**Postdoctoral Fellow**  
**Dr. Andrew Routh's Lab**

**TOPIC:**

***“Studying virus RNA/capsid interaction and RNA structure with NGS approaches enhanced by photo-activatable-ribonucleoside (PAR) crosslinking, and dimethyl sulfate (DMS) sequencing”***

**Date: Monday, November 5, 2018**

**Time: 2pm**

**Place: SCSB Large Conference Room, 5.402 RB6**

**All SCSB members, their postdocs and graduate students are invited—(please post in your lab)**
