

**72nd Annual ACS Southwest Regional Meeting - SWRM 2016 -  
November 10-13, 2016  
Schedule at a Glance**

Wednesday, Nov. 9, 2016	8:30	9:00	10:00	10:30	11:00	12:00	12:30	1:00	1:30	2:00	2:30	3:30	4:00	5:00	5:30	6:30	7:00	7:30	8:30	9:30
Convention Center																				
Prefunction Area 1st Floor												Registration								

Thursday, Nov.10, 2016	8:30	9:00	10:00	10:30	11:00	12:00	12:30	1:00	1:30	2:00	2:30	3:30	4:00	5:00	5:30	6:30	7:00	7:30	8:30	9:30
Convention Center																				
Prefunction Area 1st Floor												Registration								
Schooner	Functional Polymers						Functional Polymers													
Clipper	Aggregation of Biological Molecules																			
Harbor	Nucleic Acids: Structure to Function																			
Spinnaker	Molecular Probes for Biomedical Chemistry																			
Helm	Carbon Nanotechnology																			
Galleon I	Protein Structure, Dynamics & Function																			
Galleon II	Colloidal & Surface Phenomena						Colloidal & Surface Phenomena													
Galleon III	Southwest Theoretical & Computational Chemistry																			
Yacht	Unraveling the Photophysics in Organic Photovoltaics																			
Grand Ballroom A&B												Expo Vendor Set Up				Expo Grand Opening				
Prefunction Area 2nd Floor																Expo Grand Opening				
Grand Ballroom C												Undergrad Student Mixer								

Friday, Nov.11, 2016	8:30	9:00	10:00	10:30	11:00	12:00	12:30	1:00	1:30	2:00	2:30	3:30	4:00	5:00	5:30	6:30	7:00	7:30	8:30	9:30
Convention Center																				
Prefunction Area 1st Floor												Registration								
Schooner	Non-Equilibrium Processes in Chemistry, Physics & Biology						Non-Equilibrium Processes in Chemistry, Physics & Biology													
Clipper	Bioinorganic Chemistry																			
Harbor	Chemical & Biological Processes Regulating Transport of Pollutants in the Gulf of Mexico & its Estuaries						Chemical & Biological Processes Regulating Transport of Pollutants in the Gulf of Mexico & its Estuaries													
Spinnaker	Synthetic Biology																			
Helm	Biomolecular NMR Spectroscopy																			
Galleon I	Applications of Photonics in Energy & Life Sciences																			
Galleon II	Colloidal & Surface Phenomena																			
Galleon III	Southwest Theoretical & Computational Chemistry																			
Yacht	Unraveling the Photophysics in Organic Photovoltaics																			
Winward	ACS Career Workshop :Career Pathways																			
Leeward												ACS Career Workshop: Resume Review								
Grand Ballroom A&B	Expo											Expo								
	General Poster Session												Undergraduate Poster Session							
												Graduate Student Fair								
Grand Ballroom C	Undergrad Student Lunch											Awards Reception & Dinner								
Hilton Hotel Wing																				
Crystal A	Solid State Chemistry of Inorganic Materials									Solid State Chemistry of Inorganic Materials										
Crystal B	Effective Chemical Safety Management																			
Crystal C	Biological Mass Spectrometry									Biological Mass Spectrometry										
Hilton Hotel Tower																				
Tower Ballrom	Functional Nuclei Acids in Honor of David Gorenstein's Retirement																			

**72nd Annual ACS Southwest Regional Meeting - SWRM 2016 -  
November 10-13, 2016  
Schedule at a Glance**

Saturday, Nov. 12, 2016	8:30	9:00	10:00	10:30	11:00	12:00	12:30	1:00	1:30	2:00	2:30	3:30	4:00	5:00	5:30	6:00	7:00	8:00	9:00	9:30
Convention Center																				
Prefunction Area 1st Floor	Registration																			
Schooner	Non-Equilibrium Processes in Chemistry, Physics & Biology																			
Clipper	Recent Advances in Undergrad Chemical Education						Recent Advances in Undergrad Chemical Education													
Harbor	Frontiers of Organic Synthesis						Cryo Electron Microscopy													
Spinnaker	Noncovalent Bonding in Biological Systems						Making the Transition Between Two-Year and Four-Year Colleges: In Recognition of the 2015 U.S. Professor of the Year, Amina Khalifa El-Ashmawy													
Helm	Joe Hightower Symposium						Petroleum Thermodynamics & Flow Assurance													
Galleon I	Applications of Photonics in Energy & Life Sciences						Applications of Photonics in Energy & Life Sciences													
Galleon II	Structures of Signaling Proteins						General Organic Session													
Galleon III	Southwest Theoretical & Computational Chemistry						Southwest Theoretical & Computational Chemistry													
Yacht	Undergraduate Symposium						Undergraduate Symposium													
Leeward	ACS Career Workshop: Resume Review																			
Grand Ballroom A&B	Expo						Expo						Vendor Clear Out							
	Graduate Student Fair						General Poster Session													
Grand Ballroom C	Women Chemists Lunch						ACS Ice Cream Social & Town Hall													
Prefunction Area 2nd Floor																				
Hilton Hotel Wing																				
Crystal A	New Realities of the Chemical Enterprise - Career Opportunities and Paths						Computational Drug Design & Screening													
Crystal B	Supramolecular Chemistry																			
Crystal C	ACS Leadership Course: Leading Change																			
Crystal Prefunction Area																				

Sunday, Nov. 13, 2016	8:30	9:00	10:00	10:30	11:00	12:00	12:30	1:00	1:30	2:00	2:30	3:30	4:00	5:00	5:30
Convention Center															
Prefunction Area 1st Floor	Registration														
Schooner	General Inorganic Session						General Inorganic Session								
Clipper	General Inorganic Session														
Harbor	General PChem Session						General PChem Session								
Spinnaker	General PChem Session														
Helm	General Analytical Session														
Galleon I	General Organic Session														
Galleon II	General Organic Session														
Hilton Hotel Wing															
Crystal B	SWRM Board Meeting (invited)
